SUMMER CAMPS 2022
THEATER / MUSIC / DANCE / ALL AGES
HELLO STUDENTS AND FAMILIES,

Welcome to the first trimester of Season 4 at Paramount School of the Arts.

We are kicking off our summer offerings with a bang, and have something for everyone this summer! We have doubled our summer camp offerings, including popular favorites, as well as our brand new Paramount Experience camp that will end in a musical theater performance on the Paramount Theatre stage.

Our summer camps are the perfect opportunity to explore the many offerings that PSA has to assist you in your arts education journey. Like our yearlong programs, our summer camps are also designed around smaller camp sizes to ensure that each student has quality, personalized instruction from our teaching artists.

Thinking about auditioning for one of our Audition Based Programs this fall? Make sure to check out our YTC, MTI, PDP, and AI camps this summer. A perfect way to sample what it is like to take part in any of these intense training programs.

We look forward to making memories with you all this summer, and we can’t wait to create with you!
